

Walter Campbell Community Services Award

The Award is given in honor of the late Walter Campbell, a labor leader, who embodies the qualities of honor, loyalty, integrity and a passion unmatched in his quest to assist those who have no voice, such as children, the elderly, the disadvantaged.

Walter Campbell was recognized by many for his distinguished career as an outstanding volunteer in serving the citizens of Michigan and for his years of dedication to the union movement in working for a better life for our members.

Each year at the Community Services School, a student is awarded the prestigious Walter Campbell Community Services Award. We are dedicated to the same cause, and this award is not only to honor him, but also hopefully it will inspire others to follow in his footsteps.

Join us at next year's AFL-CIO Community Services School.

Greetings Brothers & Sisters,

We're now two and a half years into a recession. The unemployment rate for the state hovers at 13%, a statistic Michigan has led nearly non-stop for those two and a half years. Tens of thousands of Michiganders will run out of Unemployment benefits by year's end. Where exactly will they turn for help?

The answer for many is to a local United Way. More specifically, they'll call on a Michigan State AFL-CIO Community Services Labor Liaison. That Labor Liaison will be able to assist those people because the donations that Labor Union members make to a local United Way help support the Community Services program. These donations help support Food banks, Prescription drug programs, child abuse prevention programs, domestic violence abuse programs and many, many others. Those donations help raise the quality of life for entire communities.

This booklet acknowledges the most generous donors we have in the labor movement, our Labor Leads donors.

Congratulations and Thank You to each and every one of you and to the unknown other donors at this level whom we were unable to identify. Because of you – we're making a difference.

This booklet has been printed by the Michigan Association of United Ways. If your name has been inadvertently omitted from the list of labor leaders, and you are a leadership contributor, please contact our Lansing office at: 517 371-4360 x10 or labor CS liaison at your local United Way.
